SUPPLEMENTAL AMENDMENT

Dear Examiner Anthony:

A few days ago, on July 13, 2007, I faxed in an Amendment after Final. Today, I realized that I would like to make an additional, minor change in the claims. So, I'm sending in today (July 16) a "supplemental" amendment with a minor change. The change today is to add new claim 31, which is the same as the old claim 29, but changing it to depend from claim 5 instead of claim 1.

No new examination should be required, since the office indicated that claim 5 would be allowable if rewritten in independent form (which I did in the amendment faxed July 13). The Office is authorized to charge Deposit Account # 19-0131 for any necessary fees regarding this response, including extra claim fee.
